

**Senior Project Manager/Engineer  
Engineering Firm  
Peterborough, Ontario**

(FILE REFERENCE: SPM-2016)

We are seeking a **Senior Project Manager/Engineer** for our Client, an Engineering firm located in Peterborough, Ontario. The company provides professional expertise in Structural, Municipal, Transportation, Water Resource, Construction and Environmental engineering.

The successful candidate will lead a team of transportation engineering professionals. Excellent leadership and management abilities, sound communication skills as well as superior written and oral presentation skills are essential. Our client offers a competitive salary range, medical benefits, payment of professional fees, and profit sharing to their employees.

**JOB RESPONSIBILITIES**

- Lead multidisciplinary teams to successful completion of Transportation Engineering Projects.
- Manage multiple and/or major projects.
- Coordinate all facets of assigned projects (schedule, cost control, quality, communication etc.).
- Develop and maintain project budgets.
- Secure new projects/clients and maintain existing clients.
- Participate in the short and long-term priorities and objectives including specific department business development initiatives.
- Coordinate quality control reviews and project submissions.
- Review designs for completeness, constructability, public safety, adherence to design criteria, and drawing appearance.
- Organize and perform site inspections.
- Mentor junior staff in proper engineering/project management practices at the direction of the Department Manager.
- Other duties as required.

## REQUIRED EDUCATION/EXPERIENCE

- Professional Engineer licensed in the Province of Ontario or Project Management Professional (PMP) designation.
- Minimum 5 years of Highway Engineering experience.
- Minimum of 5 years of Project Management experience.
- MTO experience is considered valuable and will be given preference.
- Registered (or eligible for registration) in RAQS for various highway design categories.
- Experience leading a multidisciplinary team.

A competitive compensation package is on offer including comprehensive group health benefits and profit sharing. For further consideration, highly qualified Candidates are invited to submit their resume information in confidence, quoting the above file number. We treat your information confidentially (please identify any organizations with whom you do not wish your information shared):
