
DZ Truck Driver

Permanent, full-time

Kawartha Region (Sunderland, Oakwood, Lindsay, Peterborough)

(File Reference: CAC-2018)

On behalf of our client, an agricultural co-operative with locations across central Ontario, we are conducting a search for DZ Licensed Truck Drivers. These are permanent, full-time roles offered at multiple locations. Drivers will have consistent hours Monday-Friday with no overnight, long haul travel requirements.

This opportunity is with a growing organization that provides goods, services and marketing data within Ontario's agriculture sector. A competitive compensation package is being offered, including pension, bonus and company-paid health benefits.

KEY RESPONSIBILITIES:

- Transport finished goods and raw materials over land to and from manufacturing plants or retail and distribution centers
- Ensure safe operation of a truck, while driving and loading, to transport material to customers
- Review run sheet listing calls and identify any potential issues to ensure deadlines are met.
- Sequence runs to optimize time (periodically), using a map.
- Park vehicle in designated area(s), maneuver truck into loading and unloading positions
- Document and log work/rest periods and kilometers spent driving and retain fuel/toll receipts
- Find ways to conserve resources, including fuel, to benefit the business
- Prepare customer orders, picking product, securing on the skid and banding and wrapping according to weather and loading conditions.
- Prepare vehicle for delivery, verifying that all products are securely loaded and protected from the elements and all accompanying paperwork is available.
- Ensure customer satisfaction through reliable service
- Obtaining necessary receiver signatures once unloaded.
- Communicate effectively with dispatchers and customers to provide updates related to location and schedule

POSITION PROFILE

-
- Maintains professional comportment at all times and behaves in a manner befitting company policy and expectations
 - Serve as a brand advocate and ambassador in every interaction with clients and the public
 - Perform routine vehicle maintenance including documenting daily inspections and ensuring safety equipment, straps and paperwork are in place and perform or communicate preventative maintenance
 - Be accountable for working safely and ensures that all work is conducted in compliance with health and safety policies and legislation
 - Report any problems, damage, defects or potential hazards related to health & Safety to management immediately

SKILLS AND QUALIFICATIONS:

- Must hold a valid 'DZ' level driver's license with a clean driver's abstract
- Certified in Transportation of Dangerous Goods
- Familiarity with agricultural product transport an asset.
- Must have effective communication skills and be able to understand customer requirements.
- Must have good knowledge of roadways and traffic patterns and maintain awareness of road restrictions with the ability to source alternative routes.
- Ability to work well under pressure, employing effective decision-making (judgment) under sometimes stressful and unpredictable circumstances (traffic, weather conditions etc.).
- Possess good communication and interpersonal skills to be able to communicate effectively with customers and dispatchers.
- Moderate physical effort is required to manually load and unload material, secure load, place crossers and step on and off forklift.

COMPENSATION:

Our Client offers competitive total compensation including an attractive base salary and incentives, group benefits, and the opportunity for career development in a dynamic and growing Canadian-owned company with international operations.
