## **Operations Manager – Feed, Agronomy**

**Permanent, full-time**

**Kawartha Region (Sunderland, Oakwood, Lindsay, Peterborough)**

**(File Reference: OMFA-2019)**

---

On behalf of our Client, an agricultural co-operative with locations across central Ontario, we are conducting a search for an **Operations Manager (Feed & Agronomy)**. This is a permanent, full-time role with a competitive salary, very attractive bonus plan, benefits and pension.

### **POSITION OVERVIEW:**

Reporting to the General Manager, this role is responsible for the Feed Mill Operations and Agronomy, including grain handling, safety and maintenance, rolling stock, and customer service.

### **POSITION REQUIREMENTS:**

- Supervises, leads, and develops assigned employees.
- Trains assigned employees to meet operational, safety and company regulatory and safety criteria.
- Responsible for monthly grain inventory measurements.
- Responsible for grain handling including incoming, stored, and outgoing grain. Maintains the grain quality, blending, and providing grain drying services.
- In coordination with Sales Managers and operations, oversees the production, management and distribution of chemicals, fertilizer and seed inventories.
- Oversees and implements grain pricing considering sample and inspection grade on all incoming and outgoing grain shipments.
- Provides professional customer service that result in increased sales.
- Ensures the maximum utilization efficiency of storage and grain handling equipment.
- Acts as a liaison for the department between branches and other company departments.
- Responsible for compliance (or exceeding) all operational, quality, government, regulatory and health and safety regulations as well as the maintenance and professional appearance of equipment, rolling stock and facilities.
- In collaboration Senior Management, ensure record keeping adheres to all required legislation.
- Prepare and present monthly reports as directed by the General Manager with regards to HR, financial statements and other data
- Follow direction to complete other tasks and projects as required.

---

**QUALIFICATIONS:**

- Ideally, a degree or diploma in Ag Economics, Ag Marketing or Agri-Business plus 3 or more years of supervisory experience to demonstrate the ability to provide leadership for location management.
- Prior experience in the agricultural industry a must.
- Must have and maintain a valid driver's license, a satisfactory driving record, and have the ability to travel independently.
- Proficient in all MS Office Suite programs (Word, Excel, PowerPoint, Outlook) as well as additional web-based sites.
